Musician Spotlights

Corban Beutler, Percussion

Corban has played the piano since he was five years old. He currently plays piano for the Hurricane High Jazz Band and Pit Orchestra. He composes music and teaches individual piano lessons. He has been playing percussion for the Hurricane Valley Symphony since the Fall 2024 season.

Corban was born and raised in Hurricane, Utah. He has been cutting and polishing rocks for Zion Prospector, located in Springdale, Utah, for 3 years. As an Eagle Scout, Corban never shies away from an opportunity to help others and do what he can to improve the lives of those around him.

Corban is the youngest of seven children, all of whom have left the house except for him. His eldest sister plays the flute in the symphony with him. He lives at home with his parents and their loving golden lab, Macey.

Sabrina Leavenworth, French Horn

Sabrina has always loved music. She began playing the piano at age six and that has brought a lot of joy to her life. In sixth grade she began playing the French Horn and continued to play it through college. She has been playing with the Hurricane Valley Symphony since its founding in 2018.

Sabrina has a husband and three children. Her oldest is married, and he and his wife are both studying at Brigham Young University (BYU). Her oldest daughter is a missionary for the Church of Jesus Christ of Latter-Day Saints in Georgia. Her youngest daughter is also studying at BYU.

In her spare time Sabrina likes to be outside: camping, yard work, sports, and walking. She also enjoys woodworking with her husband and spending time with her kids.

Thank You & Best Wishes to Our Director

Our Mission Statement

To provide continuing performance and learning experiences for anyone in the community who played a musical instrument earlier in life. We recognize that life has many phases and our goal is to inspire and welcome those who wish to return to their musical training.

To provide continuing enhanced performance and learning experiences for students who are currently involved in musical training. We acknowledge the importance of the many teachers in the area and our goal is to provide the students of those teachers additional opportunities to perform great symphonic music.

To contribute to the rich musical heritage of the Hurricane Valley by providing performance experiences for the community. It is our goal to promote the musical arts and to be a cultural resource for the Hurricane Valley. We hope to inspire, enrich and entertain our diverse symphony members and our audiences through the transformative power of symphonic music.
